

**Job Title:** Steel Fabricator

**Reporting Structure:**

The post holder is a member of the manufacturing staff and reports to the appropriate fabrication section supervisor or a more senior member of the manufacturing management team.

**Management Responsibility:**

The post holder may be asked to supervise trainees, juniors and lower skilled personnel. This may include the provision of guidance, basic training and communicating best practice.

**Main Duties:**

- As a Steel Fabricator the post holder is required to carry out work as allocated by their Team Leader or a member of the manufacturing management team within the boundaries of their skill and competence. (A matrix of competence is kept by the Assurance Director and is updated periodically as skills are gained or diminished.)
- The post holder will be expected to interpret technical drawings; work to sketches/development work; and have good communication skills.
- Duties will include all aspects of plating work including: design and fabrication of jigs where appropriate; and operation of standard workshop equipment and work with minimum supervision

**General Duties:**

- The post holder is required to conduct themselves in accordance with their contract of employment and the company handbook.
- The post holder must to the best of their knowledge and experience carry out work in such a manner so not to endanger their own health and safety, that of their colleagues, the company's clients, the general public, our suppliers or the environment.
- The post holder shall do their utmost to protect and enhance the company's commercial and financial well being and reputation.
- The post holder may be required to be called upon to carry out other reasonable requests/duties for the company at the discretion of his or her line Manager.
- Engage in training, development and education in order to keep skills and knowledge current and to strive for continual improvement.
- This job description should not be regarded as exclusive or exhaustive. There shall be a requirement to carry out other duties which the Company believes are within your capability.

**Expected Qualifications:**

- City & Guilds Craft or equivalent
- NVQ 2
