

Sheet Metal Worker
Permanent Part-Time
Signal House Ltd

 **Location:** *Signal House Ltd – Leighton Buzzard*

 **Pay rate:** **Competitive based on experience**

 **Contract:** Permanent | Part-time

About Signal House Ltd

Signal House Ltd has a long and proud history in railway signalling dating back to 1885. Our products continue to focus on conveying critical information to train drivers, with a current range centred around highly reliable LED signalling solutions.

We are a specialist supplier of railway signals to the UK and overseas markets. Our products are approved by Network Rail, fully compliant with modern signalling standards, and designed to be low maintenance, reliable, and backwards compatible with traditional non-LED systems.

In addition to signalling products, Signal House Ltd is an experienced sheet metal fabricator, specialising in Aluminium and Stainless Steel. With in-house CNC, welding, paint, and assembly capabilities, we maintain high quality standards throughout the entire manufacturing process without reliance on subcontracting.

The Role

We are currently looking for a **Permanent Part-Time Sheet Metal Worker** to support our manufacturing operations. This role would suit an experienced individual who can work accurately and independently in a workshop environment.

- Operating standard workshop equipment (e.g. guillotine)
- Ensuring work meets required quality and productivity standards
- Working with minimal supervision while maintaining a high level of workmanship

Skills & Experience

- Previous experience in sheet metal fabrication
- Ability to read and interpret technical drawings
- Ability to weld both MIG and TIG.
- Good communication skills

- Strong attention to detail and quality
- Ability to work independently

Pay & Benefits

- **Competitive based on experience**
- Company Pension Scheme
- Life Assurance plan (3 x salary)
- Subsidised healthcare provision via Medicash
